### **FISCAL ANALYSIS**

#### **Assumptions:**

1. HB 500 proposes to submit a constitutional amendment to the electorate at the general election to be held in November 2010. There is no cost to the Legislative Branch related to submitting the amendment to the electorate.
2. As required by Article V, section 14, Montana Constitution, the next districting and apportionment commission will be appointed during the current 2009 Legislative Session.
3. The proposed constitutional amendment would reduce the number of members of the districting and Apportionment Commission from five to four. Should the amendment pass the electorate in November 2010, it would first apply to the commission appointed during the 2019 legislative session.
